Welcome to the Adventure

The ultimate goal of the church of Jesus Christ is to fulfill the Great Commandment and the Great Commission. Found within these two commands are the five biblical purpose on which the foundation and the future of the church is built. These purpose are both timeless and transferable to every generation.

This Purpose Driven Life Health Plan is designed to help you and your group, (or spiritual partner) fulfill that dream together. It is designed also, to cultivate all five biblical purposes deep within your heart of your church forever.

Please consider this "90 Day Adventure with God" as an invitation to renew your heart toward Him and the five fold purpose of His church. You may want to start today on your own or connect with a friend, ministry team, or with a small group at your church. Your role in modeling this process will not only help you grow, but every one of your family, friends and those who experience Christ in you will benefit from this direction.

Thank you in advance for your willingness to consider this journey together. Know that many are praying for your spiritual growth and the growth of your church. It is a privilege to share the sacred journey of cultivating not only

healthy churches but healthy lives as well.

Blessings to you all.
